I fully understand that I have been provisionally allowed to appear for the ETP viva as I am not able to produce my training certificate due to company constraints. Further, I assure to produce the same latest by..... (DD/MM/YY) till which the result of my ETP viva shall stand I grade.

I am also aware that in case, I am unable to submit the training certificate till the above mentioned date, my ETP viva may be deemed cancelled and I may be awarded R grade.
